Charleston, South Carolina 29407 (District 1))	
for a Class C Taxi Certificate of Public)	
Convenience and Necessity)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Captola Mason d/b/a C & J Airport Transportation (the Applicant) filed February 26, 2010, whereby the Applicant seeks approval of amendments to Class C Charter Certificate of Public Convenience and Necessity No. 6727-A and Class C Taxi Certificate of Public Convenience and Necessity No. 6726-A. The Applicant requests approval of a change in the passenger restriction appearing on both Certificate No. 6727-A and Certificate No. 6726-A. A review of the docket files reveal that the Applicant was granted authority to operate under a Class C Charter Certificate of Public Convenience and Necessity (Certificate No. 6727-A) pursuant to Commission Order Nos. 1999-131, dated February 18, 1999, and 2000-1003, dated

December 13, 2000, and the Applicant's authority to operate under a Class C Taxi Certificate of Public Convenience and Necessity (Certificate No. 6726-A) was granted pursuant to Commission Order Nos. 1999-129, dated February 18, 1999, and 2000-1002, dated December 13, 2000.

Currently, the Applicant's authority to provide passenger service under Certificate No. 6726-A and Certificate No. 6727-A reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina,
Restricted To: Ten (10) Passengers.

The Applicant requests to increase the passenger restriction from ten (10) to fifteen (15) passengers under both the Applicant's Class C and Class C Charter Certificates.

Based upon review of the matters asserted in the present requests, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 6726-A and Certificate of Public Convenience and Necessity No. 6727-A of Captola Mason d/b/a C & J Airport Transportation by changing the passenger restriction thereon from ten (10) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by such Certificates but does not otherwise authorize any change in the operation of the regulated services.

3. That modified Certificates shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

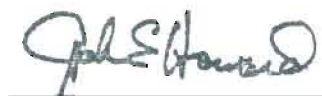

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificates, the modified motor carrier services authorized by such Certificates may not be provided under the amendment approved herein.

5. This Order shall remain in full force and effect until further order of the Commission.
